**THIS DIRECTIVE SHALL SERVE AS THE COMMISSION'S ORDER ON THIS ISSUE.**

**SUBJECT:**

DOCKET NO. 2009-489-E - Application of South Carolina Electric & Gas Company for Increases and Adjustments in Electric Rate Schedules and Tariffs - Discuss with the Commission a Request for a Public Hearing to be Held in Dorchester County Filed by Jennifer Yaun, Brandy Sweat and the Honorable Annette D. Young.

**COMMISSION ACTION:**

The Commission has received a number of requests for public hearings in this docket. In the interest of judicial economy, I move that Staff be directed to schedule evening public hearings at three locations that are accessible by interstate highway in the service area of SCE&G. One hearing should be held in the Columbia Midlands area; one hearing should be held in North Charleston; and one hearing should be held in Summerville. I note that this motion is consistent with the Commission's determination last week that two public hearings should be scheduled in the tri-county Charleston area geographically placed to accommodate the most customers.
